Reading, Writing, and Social Studies
Online Educational Website Directions

We will be using the following sites during this online experience. Not all websites will be used weekly. Please see weekly lesson plans on JRE's website.

1. Study Island

Go to lpsid.org

Click students on the top right hand corner

Click Clever

Login: username: lastname.firstname password: lpunchnumber

Example: ramos.krystal

lp555345

Once signed in:

Scroll down until you see the Study Island link-click it

Click on My Classes on the left side

Under My NWEA Map Learning Path, Click View Assignments

For writing, students will scroll down until they see **Composition**: They will begin the first lesson: **Plan** and complete lessons in order.

Side Note: If your student has already completed a lesson under any of the sections and passed with an 80% or better they will complete the next assignment. If they do not pass, they must redo the assignment.

2. Clever- Social Studies Weekly

Students will follow the same login instructions as Study Island. Once logged in, Click the red link labeled **Studies Weekly**.

Click the Newsletter labeled **Texas Studies Weekly**.

Scroll down until you see Week 25

Click continue reading.

3. Student email

During this time of the school year, I teach students how to access their student email accounts. In this account they are able send me emails, create word documents, and practice using power point. Students are able to share their documents with me. It also saves all their work.

To login go to lpisd.org

Click Students on top right corner

Click **Office 365 Education**

Students will login using this format: lastname.firstname@student.lpisd.org

Password is: lpunchnumber

Example: ramos.krystal@student.lpisd.org

lp555345

Once logged in, they will have to choose a time zone (Central) and then they have access to their accounts. They may email me for anything! On the top left corner you will see nine dots in the shape of a square next to the word Outlook. If you click that, it will give you options to use other programs like Word or PowerPoint. We will be using both during this time.

For read aloud, I will be sending a link either through email or the remind app for students to listen to the book Wonder. Students will create a word document to type their reading responses for the week and share them with me on Friday through their email accounts.

Students will also create a PowerPoint for a technology project over an author. I will send expectations on that separately and at a later date.

4. HMH ED

Please click the link below

Select option: District

Select: Texas

Select: La Porte ISD

Sign in information: Username: lastname.firstname Password: lpunchnumber

Click assignments

Students will use this site for leveled readers and questions to check for comprehension. Students should complete all assignments by Sunday of that week.
