Mrs. Miller here, logging in to say **HELLO!**

At the beginning of the school year, I told you we would begin learning about coding after spring break. Since we are not in the lab learning together, I wanted to share a fun site to help guide you through the process. It is a free, and school approved site I think you will enjoy! The site is called [Code.org](https://www.code.org). Computer science learning for all grade levels are available on this site, and you will have an opportunity to make your own game, app, or computer drawing. I know you will have lots of fun learning and creating on this site. I cannot wait to hear about or see all the amazing things you create! Mrs. Miller's email office hours are: 9:00am-1:00pm M-F Millersh@lpsd.org
